#### PARISH VISION STATEMENT

*WE*, the parish of Our Lady of Victory, proclaim with joy the presence of Jesus in the world through Word, Sacrament, and deed. It is through our discipleship that we recognize our connection to God, our neighbor, and our deepest spiritual selves.

*WE* seek to live out the Gospel of Jesus Christ by: + Welcoming all with kindness, compassion and hospitality + Nourishing the faith life of the community through prayer, fellowship and education + Reverencing the dignity of each person by celebrating the beauty of life from conception to natural death + Nurturing the gifts of all so that each person may live out his or her unique and personal call from God + Caring for the needs of the less fortunate by empowering our parish community to answer that call.

*WE*, do this in the name of Jesus Christ and the mandate: “*See those Christians how they love one another!*”

### ***Dear Parishioners,***

Prior to this year's election I read this "open letter" from the Bishop of Portland, Maine. He was writing to the two candidates before knowing who would win the election. I would like to reprint it today as we prepare for Inauguration Day this week. The Bishop expresses thoughts that I share.

*Dear Mr./Madam President,*

*You recently won the 2024 presidential election and will now be the 47th President of the United States, commencing on January 20, 2025. I pray that God gives you wisdom and humility to lead this nation forward. Our country is divided in many ways but blessed in many ways. You have inherited many responsibilities and will be president at a time in history with great challenges. The war in Ukraine continues, the conflict in the Middle East is escalating, and religious persecution of Christians in Africa, Nicaragua, and India remains. Our world and world peace are so fragile..*

*As I assure you of my prayers, may I please ask for your consideration regarding my concerns since you will be a person with great power and influence. As a Roman Catholic, I believe in the inviolable dignity of the human person. I believe that we are loved unconditionally by God. No person is a mistake, as unintended his/her pregnancy may be. Please reconsider your position on abortion. Abortion is eroding our nation's soul. Abortion hurts the babies in the womb and the women and men who choose to abort their babies. Please help strengthen our families and societal networks so that they are strong and will embrace pregnant mothers and their unborn children so that new mothers are encouraged to bring their children to birth instead of opting to abort their babies.*

*Please also respect me and my religious values. As I said, I am a Roman Catholic, and my religion offers me evident moral truths about the dignity of the person, marriage, and gender. I am not a constitutional scholar; however, I know innately and constitutionally that I have the freedom to follow my well-formed conscience, to live and conduct my professional life according to my religious values and principles, and I have the right to worship God as I see fit. For example, because I believe in certain truths about marriage and gender, I am not a person who 'hates' others who do not believe so, nor am I a person who is not empathetic towards people with different viewpoints. I am subscribing to divinely revealed truth and following my conscience. Please don't subject*

*me to future laws and penalties that falsely 'criminalize' me for following my religious and moral beliefs.*

*Secure our borders and seek to reduce the number of guns and drugs entering our country. However, please do not group people who desire to survive and have a safer life for themselves and their children with contraband, guns, and drugs. People are not commodities or contraband. Yes, our hardworking border patrol agents and our immigration system need help, as do the people who find themselves in dire situations in their countries and are seeking to immigrate to the United States. So please protect not only our borders but also the immigrant people desperate to live.*

*Finally, I ask you to consider helping to reverse an alarming trend – Godlessness. Our country, of which you will be president very soon, was founded by believers. Also, faith drove people to abandon their homelands while taking great safety risks to come here to live their faith more freely. Please consider greater protections for people who believe in God. Theists are not criminals. If you allow us the freedom to bring our faith into our workplaces and schools more without penalty, maybe we can help you bring peace to our divided nation. Faith in God allows us to put into practice the belief that God loves us all unconditionally. We are created in love and redeemed by Christ in love. God is merciful. If we can live and share these truths without the risk of punishment more openly in our public settings, respecting others who think or believe differently, more public discourse about love and a God who is love should only help heal our wounded society.*

*May God bless you. May God bless America.  
Sincerely yours,  
Bishop James T. Ruggieri*

May God bless our country as President Trump begins his term as President.

As we approach the anniversary of the reversal of Roe vs. Wade we would like to bring to light the impact of that decision and how it has affected our whole country. We have a great new revival of enthusiasm to save all these young lives! We encourage everyone to pull up some of these inspirational websites.
