FOURTEENTH SUNDAY IN ORDINARY TIME

JULY 6, 2025

At that time the Lord
appointed seventy-
two others
whom he sent ahead
of him in pairs
to every town and
place he intended to
visit

He said to them,
"The harvest is abund-
ant but the laborers
are few;
so ask the master of
the harvest
to send out laborers
for his harvest.

PARISH VISION STATEMENT

WE, the parish of Our Lady of Victory, proclaim with joy the presence of Jesus in the world through Word, Sacrament, and deed. It is through our discipleship that we recognize our connection to God, our neighbor, and our deepest spiritual selves.

WE seek to live out the Gospel of Jesus Christ by: + Welcoming all with kindness, compassion and hospitality + Nourishing the faith life of the community through prayer, fellowship and education + Reverencing the dignity of each person by celebrating the beauty of life from conception to natural death + Nurturing the gifts of all so that each person may live out his or her unique and personal call from God + Caring for the needs of the less fortunate by empowering our parish community to answer that call.

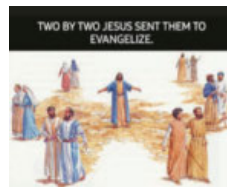

WE, do this in the name of Jesus Christ and the mandate: "See those Christians how they love one another!"

A Reflection About Teachers

By Andrew Fiebelkorn —Class of 2025

Shared at Graduation, June 13, 2025

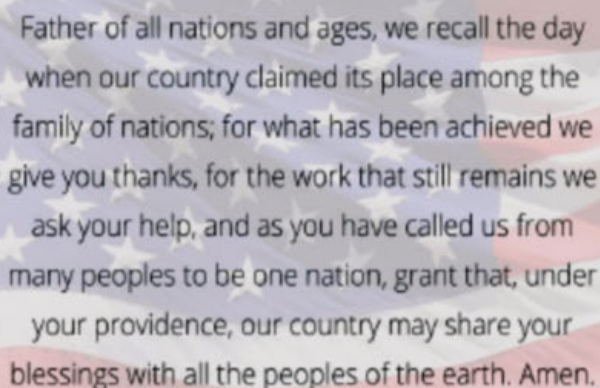

Dear Teachers,

You have had one of, if not the most, influential roles in our graduation and departure from OLV. If it wasn't for your hard work and very impressive patience we wouldn't be able to be in the same place we are in right now. You have given every last effort you have to make sure our school year is enjoyable and entertaining yet filled with the information we need to know. All of your classes have led to some of our most memorable moments that us students will surely never forget and will stick with us for the rest of our lives.

Your belief in every single one of us has helped us believe that we truly matter and that is something that makes us feel special and helps us when things may seem stressful. Something that makes OLV's teachers very special is how they truly care from showing up to the 8th grade versus teachers volley ball game to watching us now graduate. When things got stressful the teachers always found a way to put a smile on our face and fill us with belief that we can do it.

We have had many memories which include being anxious to go into some teachers classes because we were scared, hearing funny noises in a serious moment and bursting out in laughter, another includes the teachers making jokes that may seem corny but always crack a laugh out of us.

Overall, teachers are what us students depend on when we are struggling and are the reason we are in this church graduating right now. And as we prepare for the future it is very important to look at the teachers who helped to shape each and every one of us. They didn't just teach us Math, English, Science, Social Studies, or Ela, they taught us to think, grow, and care for one another. And to all the teachers who dedicated their time and hard work to us, we thank you for the lasting impact you will have on us.

Father of all nations and ages, we recall the day when our country claimed its place among the family of nations; for what has been achieved we give you thanks, for the work that still remains we ask your help, and as you have called us from many peoples to be one nation, grant that, under your providence, our country may share your blessings with all the peoples of the earth. Amen.

Stop Physician-Assisted Suicide in New York

New York is on the brink of legalizing physician-assisted suicide. Bill A136 has already passed the Senate and Assembly. The only thing standing in its way is Governor Hochul's veto – and she needs to hear from you.

This bill would allow doctors to prescribe lethal medication with the sole purpose of ending a patient's life. It puts the most vulnerable among us – the elderly, people with disabilities, and those facing emotional or financial despair – at even greater risk. **Suicide is not healthcare.**

We must speak out to protect the dignity of every human life. Assisted suicide is a dangerous and deadly path – one we must not go down.
